Beach Handball EBT Tournament  
Bielsko-Biała

Bielsko-Biała

# Bielsko-Biała - Polska

Bielsko-Biała is located in southern Poland, surrounded by the Beskid Mountains, on the Biała River, which for centuries separated historic Silesia from Lesser Poland. It is the capital of the region known for several decades as Podbeskidzie and has a population of 175,000. Bielsko-Biała is mainly associated with the automotive and electrical engineering industries, and until recently was the second-largest textile center after Łódź. However, it is now ranked among the top ten Polish cities in terms of development potential.

**Dear friends of beach handball,**

The **9th CHARITY BEACH HANDBALL TOURNAMENT in Bielsko-Biała** is the only event of its kind that combines a **charity** tournament and the EBT Tournament. We expect this beach handball tournament to be a unique event with teams and activists from many European countries.

During the last edition, 12 women's teams and 12 men's teams from Poland and Europe participated. Our sports complex at the "Start Swimming Pool" consists of 2 beach handball courts, on which we managed to play more than 50 matches during the tournament last year.

On behalf of the Organizing Committee of the Beach Handball Tournament [NAME] and the City of Bielsko-Biała, we would like to invite participants to **join us from July 21st to July 23rd, 2023**. As every year, this will be a great opportunity to support a **charity** fundraiser for two children from Bielsko-Biała County.

We hope that you appreciate our efforts to popularize beach handball. We look forward to seeing you soon to kick off the new EBT season in the best possible way, by having fun and showing spectators the most beautiful sport (on-site, via webcast, and TV broadcast). We hope to see you soon in Bielsko-Biała!
